DEPOSIT

At the time of sale, a non-refundable deposit of one half of the agreed upon purchase price will be required. Breeding rights are an additional \$500.00, due at pick-up. The deposit will be forfeited for (1) Purchaser's failure to adhere to the "agreed upon" pick up date, or (2) Purchaser canceling the transaction.

PICK-UP DATE _____

TERMS: I accept cash or money order only, (no personal checks or credit cards at this time).

CONDITIONS OF SALE

At the time of pick-up, the breeder guarantees good health: (1) clean cattery, (2) no outdoor exposure, and (3) regular health checks, by the veterinarian. This includes a worming and shot schedule.

The buyer has a health guarantee of one week from the time of pick-up. Buyer is urged to have the kitten checked by a licensed veterinarian. Within the span of that one week, if the vet finds a serious health issue with the kitten purchased, or if the kitten dies, the vet needs to provide a letter verifying the illness/or produce autopsy results, if necessary. The buyer, at his/her expense, provides the vet visit and any testing. The buyer's kitten will be exchanged for another (when available from breeder) of same value if the vet finds a serious health issue. Breeder is responsible only if kitten's health has been compromised at the cattery. Before the kitten/cat is returned to seller, the kitty shall be tested for Feline Leukemia Virus and a veterinarian must certify the results of the test.

Breeding rights must be purchased. Under conditions of this sale, this breeder receives one kitten that is produced of this breeder's choice. Furthermore, this kitten cannot be sold to another breeder without this breeder's consent in writing.

Under no circumstances will this kitten/cat be allowed to roam outside, be sold or given to a pet shop, laboratory, or similar facility. Under no circumstances will this kitten/cat be declawed.

The seller is not responsible for any costs incurred in maintaining the health of this kitten/cat.

The seller does not guarantee this kitten/cat will never have internal or external parasites like fleas, ear mites, or worms. Kitties can pick these up anywhere. They will not have them at the time of pick up.

Attorney fees and court fees which should arise from the breach of this contract will be paid by the purchaser of the kitten/cat (kitties) identified in the contract.

I UNDERSTAND AND ACCEPT THE CONDITIONS OF SALE AND ACCEPT THE KITTEN AT THE PRICE SHOWN ABOVE.
